Instructor	Text Responses															
	Question: Comments on course effectiveness															
	Meeting with instructors and exploring majors in class were both effective.															
	I really enjoyed the Strong test and pin pointing my values.															
	I liked taking the tests to learn my skills and interests. I liked the inspirational videos.															
	The online tests that we took were very helpful in making me realize my skills and interests. I also enjoyed listening to representatives from different collages.															
	The course content and Homework were easy to do but it was effective in what it was supposed to do.															
	The course helped me with decision making. The presentations were also good.															
	Different types of decision making, strong interest inventory															
	The surveys provided in the class were great for helping all the students learn something about themselves. The presenters that came helped me understand some majors and make more informed decisions.															
	I liked taking the personality tests to learn more about myself. I also liked hearing from advisors from some of the colleges.															
	Question: Instructor Comments															
McClaskey	Very encouraging and kind.															
McClaskey	She was very easy to talk to and communicate with She was well engaged with the class.															
McClaskey	She was very nice and helpful. I think she did a great job at guiding us in our indecision.															
McClaskey	She was very good at making the class a comfortable environment to express ourselves in. She also was very helpful in the advising appointment.															
McClaskey	She was very elaborate in her teaching and did a good job presenting information.															
McClaskey	She I very interactive and she is very clear about getting her points across.															
McClaskey	She was always willing to help and she knew a lot about how to help us with choosing majors.															
McClaskey	She involved everyone in the class often and was always very willing to meet with every student even outside of the mandatory meeting for advising.															
McClaskey	She encouraged active participation which helped the students learn and creat e a comfortable atmosphere for learning, and she used both technology and physical paper to help in her presentations which helped apply both visual and kinesthetic learners in her class.

Instructor	Text Responses
	Question: Comments on course effectiveness
	I like how we did personalty tests. Also I liked meeting with major advisors.
	Very structured course and the professor was very engaging and a huge help!
	It helped a lot that we were able to do some exams and different things that helped us better understand our interests and values, I also liked that all the assignments helped us to come closer to finding a good major for us.
	I loved how accessible and straight forward everything was, there was no confusion when it came to the due date and instructions of assignments and projects. It was a very pen environment, I could tell that Allie truly cared about each one of us, in and out of the classroom.
	Question: Instructor Comments
McClaskey	She was very organized and very attentive
McClaskey	She was very engaged and showed that she cared as well as actually helping us as much as possible. Even in our meetings with her. She was a great instructor
McClaskey	I liked that we had the opportunity to meet one on one with her and talk about where we were at. She also knew a lot about the different subjects and was willing to answer any questions we had.
McClaskey	She was always open to answer questions, and prompted us to do our own research. She was very focused on the well being of us as people rather than us as just students.

Instructor	Text Responses
	Question: Comments on course effectiveness
	Doing group discussions even over zoom and having assignments thoroughly explained about what was expected
	Personality tests were great for getting to know myself, and there were lots of opportunities to meet with advisors and learn about different majors.
	Presentations, group discussions
	I really liked talking about my values and comparing them to different majors, it helped me to understand that there isnt just one correct decision. I also learned a lot from the MBTI assessments we discussed in class.
	STRONG Test and the week of college presentations were very helpful in learning about what I would enjoy and helping me to find majors that interest me.
	organization and environment
	The MBTI tests and the availability of the teacher to answer any questions made this course effective.
	I think doing the strong interest inventory and doing the MBTI were really helpful in deciding on majors and getting to figure out more of myself. I think doing like another test like those would also be really helpful.
	The canvas was organized very well, Allie sent deadline reminders, she was also always happy to help with assignments or any questions and it was unique to the person
	This class helped me find what I wanted to major in and the amount of assignments were just the right amount to keep me engaged but not have it feel like a burden.
	Question: Instructor Comments
McClaskey	She was very approachable and was very much someone that made you feel heard as well as genuinely seeming to care about it
McClaskey	Shes very friendly and easy to talk to, and very willing to work with her students. I couldnt show up to a required event, and she recorded it for me so I could still complete the assignment.
McClaskey	I felt that she really cared about us and gave us many resources to accomplish our goals and tried to help us in any way she could. She made the material interesting and tried to get everyone involved as much as possible. She also gave assignments that would help with our major exploration journey.
McClaskey	She was always willing to meet and talk through Zoom and she had very organized presentations.
McClaskey	kind and helpful
McClaskey	Allie was really nice and approachable and understanding about all of the questions we had. She also gave good lectures and was clear on the course material.
McClaskey	Allie was super friendly and helpful. She explained everything very clearly and was very encouraging.

McClaskey	Understanding personality, clearly stated Information
McClaskey	Allie was so nice and so incredibly helpful with literally anything. I was never afraid to reach out if I needed anything

Instructor Course Feedback for UGS 1050-005 Major Exploration Spring 2021 (Allie McClaskey)

Student Demographics

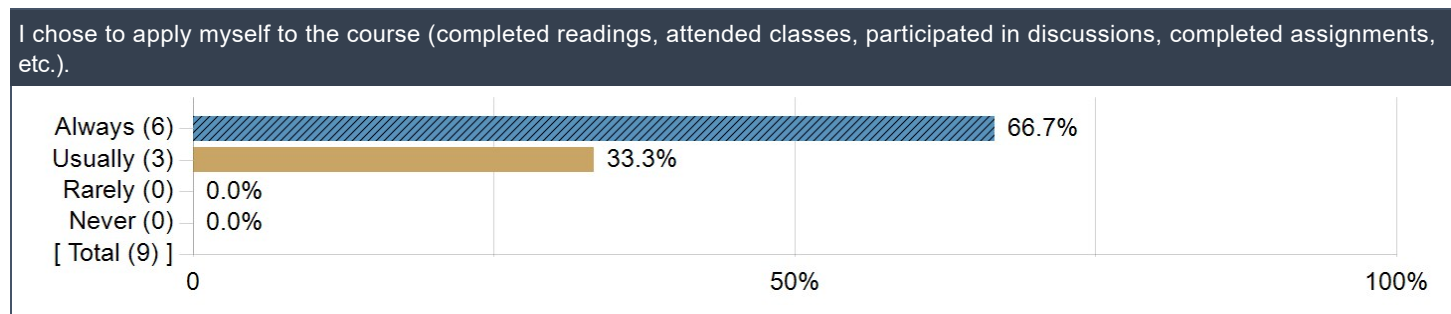

Why did you enroll in this course?

Please explain:

Comments
I was interested to learn new things to help me decide my major.
I had no idea what I wanted to major in and this class was about exploring majors.
I took this class in hopes to explore majors to figure out what I wanted to do with my life

I chose to apply myself to the course (completed readings, attended classes, participated in discussions, completed assignments, etc.).

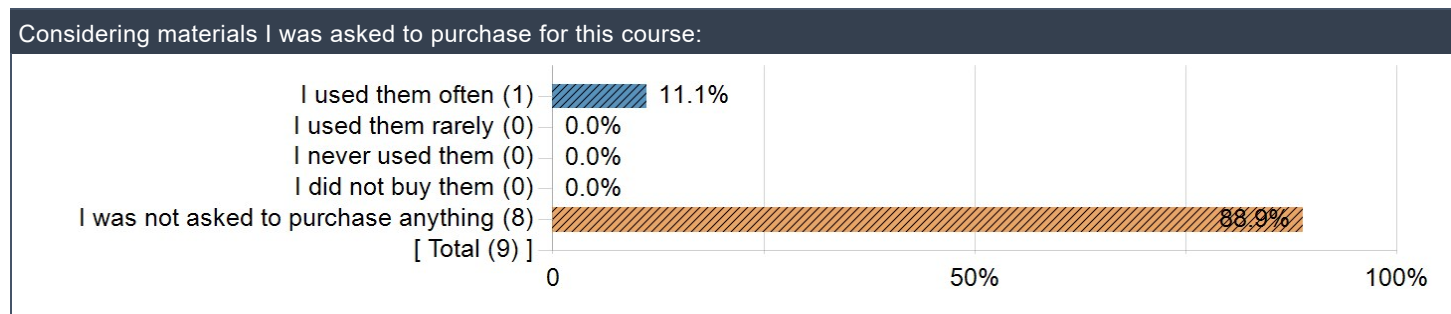

Please explain:

Comments
Helpful in understanding what was happening and sharpen my decision skills
Even though the class was on zoom, I still tried to participate as much as possible. I also always did my work before class.

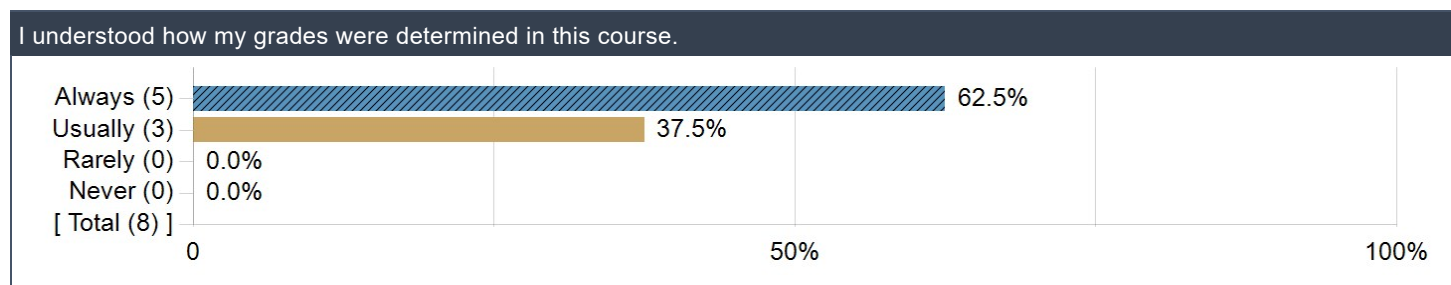

Course Materials

Considering materials I was asked to purchase for this course:

Grades

I understood how my grades were determined in this course.

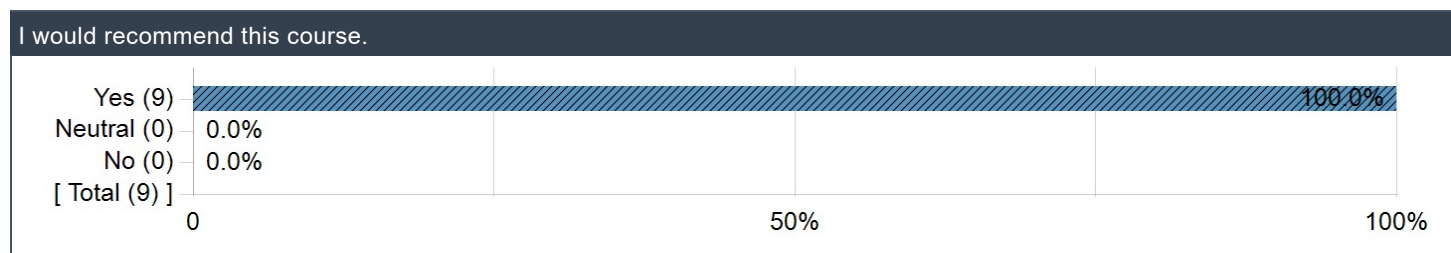

Please explain:

Comments	
The required assignments didn't have points assigned so it was confusing for the first two classes.	

Recommend Course & Instructor

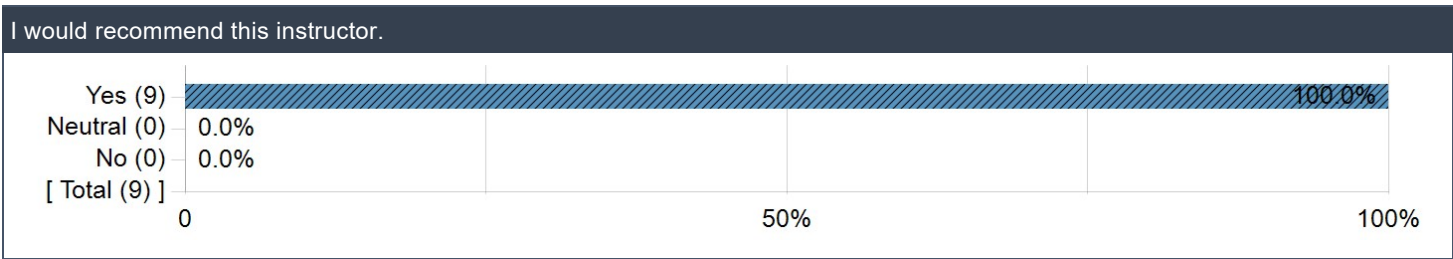

I would recommend this course.

Please explain:

Comments	
Easy starting class and opens the door to college	
It was helpful to get a rough idea of majors I would enjoy	

I would recommend this instructor.

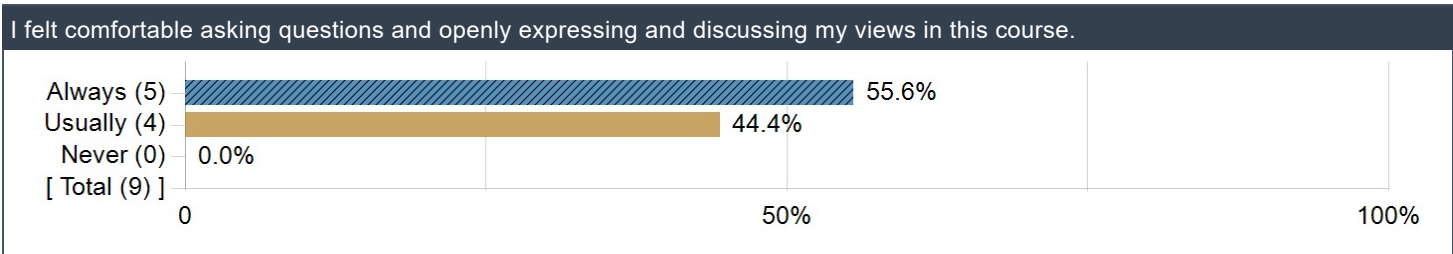

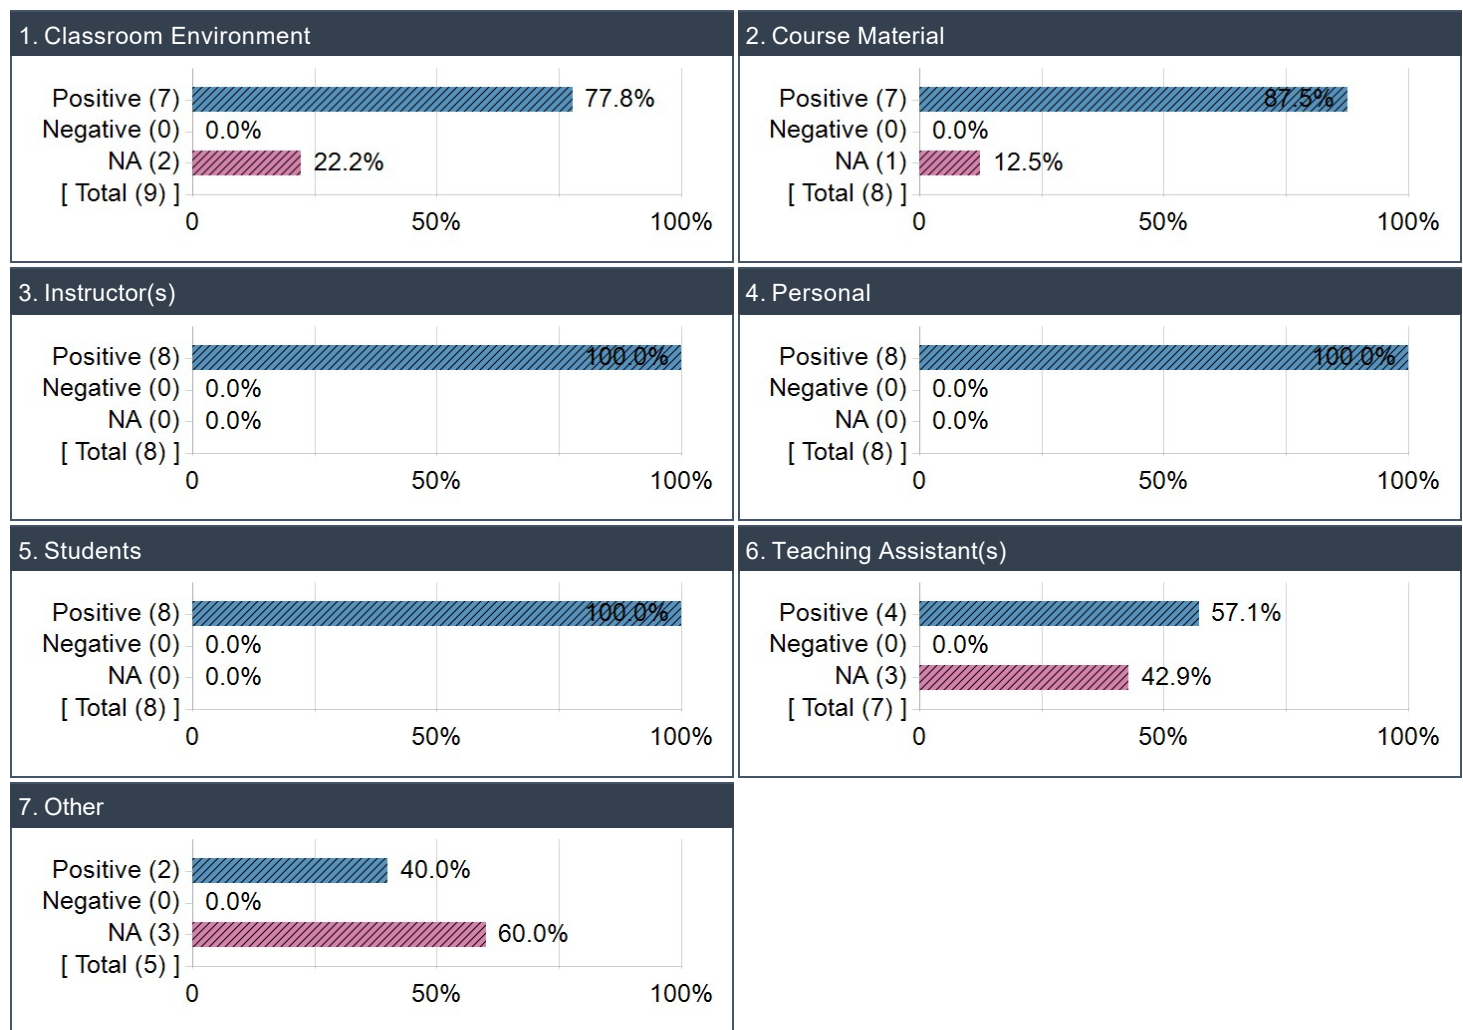

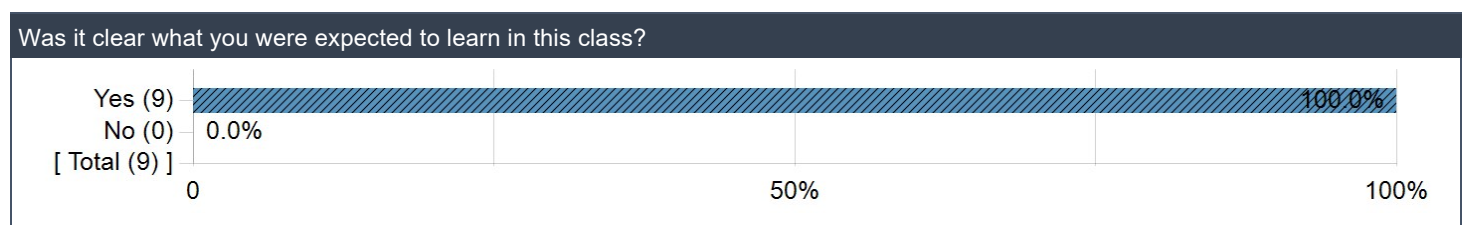

Please explain:

Comments
Very kind and to the point. Allie is very funny and very understanding
She was well organized,welcoming and always there if you needed help.
She was insanely helpful. She was very well with resources and knew literally everything. She also cares about her students very much and wants us to get out as much as we can from this class

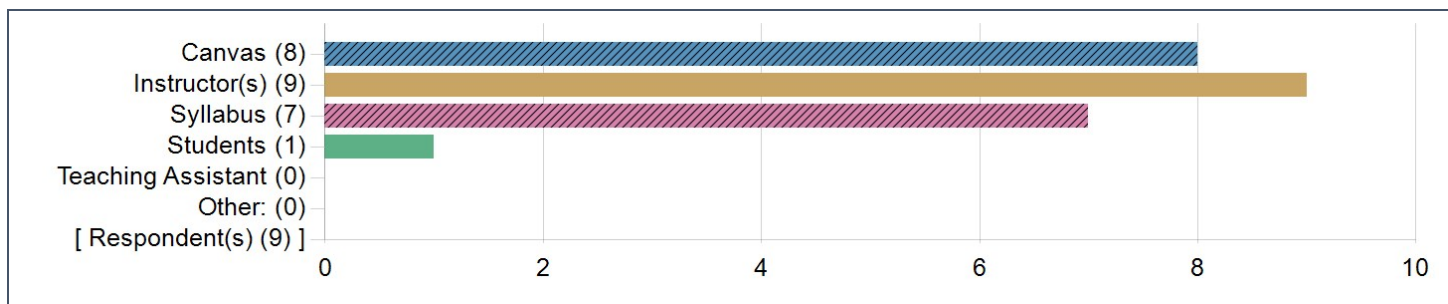

Asking Questions and Discussing Views

I felt comfortable asking questions and openly expressing and discussing my views in this course.

Which of these contributed to your answer?**Learning Objectives****Was it clear what you were expected to learn in this class?**

If yes, how did you know this?

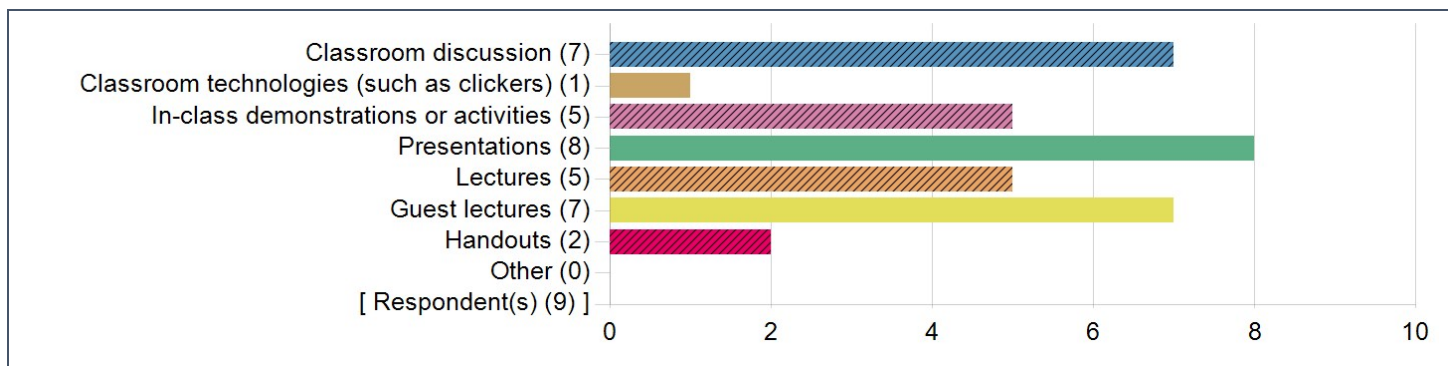

Please explain:

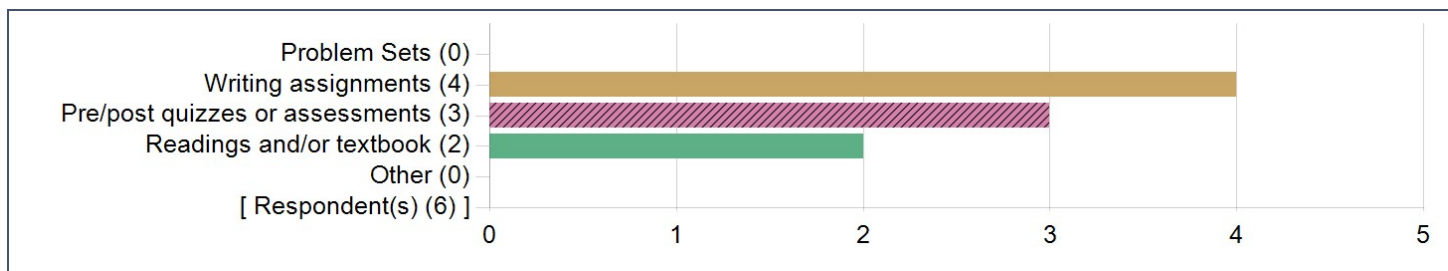

Comments
Very clear on what was happening in class, specifically through canvas

Which of these were used in the course and helped you learn?

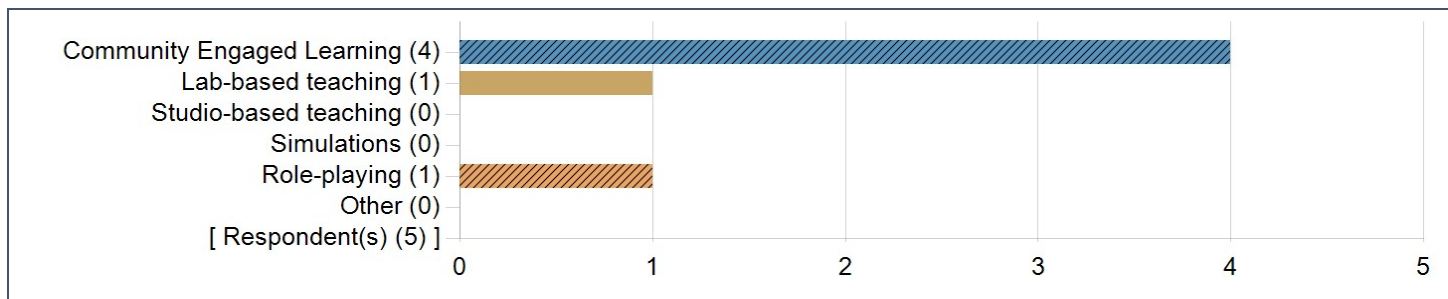

In-class Tools

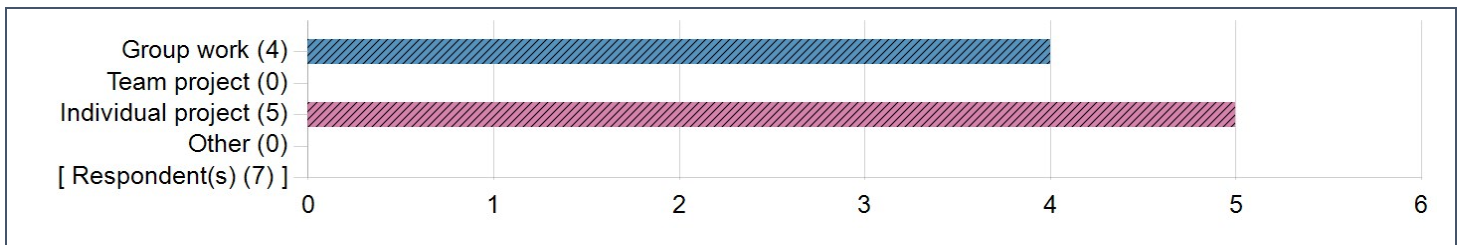

Readings and Assignments

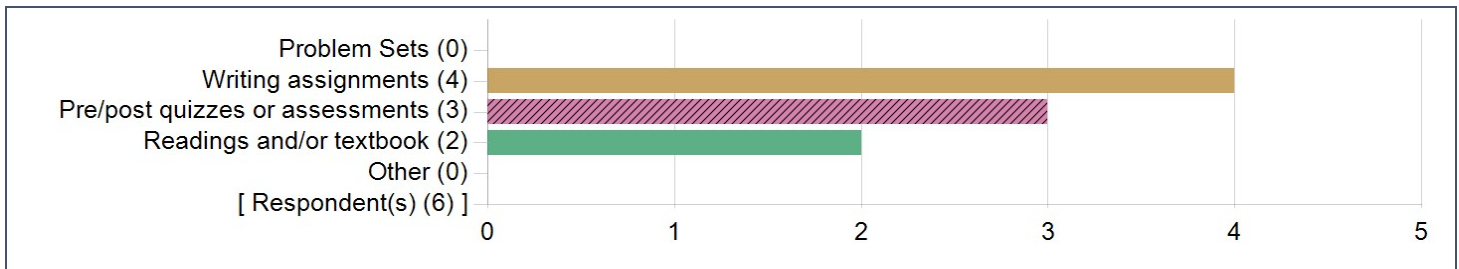

Experiential Learning

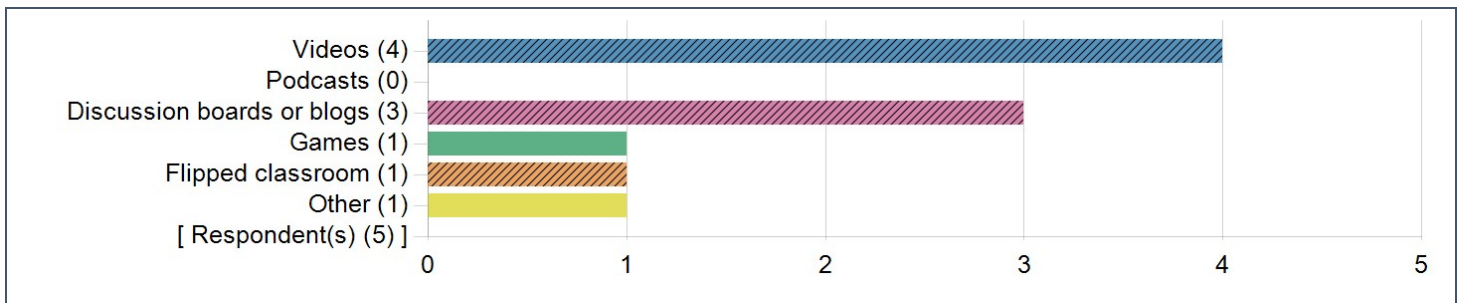

Student-based Projects

Readings and Assignments

Technology-Based Learning

Additional Comments

Is there anything else you would like this instructor to know?

Comments
Allie is amazing
This class was awesome! Thank you! I don't know if there would have been enough time but it would have been good to have some guest speakers from different majors.
The class was very good and helpful
No
She did a very good job and helped me a lot the first half of the semester!
